Prices

Possession of this price list does not in itself constitute authority to sell and/or purchase product herein. All prices are LIST prices. Prices are effective with current date printed on the cover and supersede all other price lists. All accepted orders are subject to prevailing prices at time of order. WCI reserves the right to change prices or specifications without prior notice. Prices do not include tax or installation. Additional charges may apply on special requests for inside delivery.

Minimum Order

WCI’s minimum order is \$1,250 NET and orders under this amount will be subject to a \$150 service charge.

New Accounts

Customers who have purchased more than \$5,000 LIST in the last 12 months are eligible to seek terms with WCI. To establish an open account, submit a bank reference and at least three current open account references. Send full credit information along with complete address and telephone numbers to: West Coast Industries, Inc., 750 Battery St, Suite 100, San Francisco, CA 94111. Allow approximately two weeks for processing.

Credit and Payment Terms

Initial orders under \$2500 LIST require full amount in advance. Otherwise, unless credit has been established with WCI, terms will be a 50% deposit with order and balance paid in full prior to shipment. Payment terms for all customers with approved credit limits are net 30 days. Seating orders require a 50% deposit with the order and the balance must be paid in full from date of shipment or within previously established and agreed to terms. Invoices must be paid within these terms in order to maintain open account status. Payments should be made to our main office in San Francisco. Past due accounts (over 30 days) are subject to an interest rate of 1.5% per month (18% per year), or the maximum amount permitted under local law. The customer will be liable for any costs incurred in collection of past due amounts, including attorneys’ fees, whether or not a suit is filed. Charging purchases to an open account constitutes acceptance of our stated terms. WCI reserves the right to change terms without prior notice.

Acknowledgement

All orders are manufactured and shipped according to the acknowledgement and its terms and conditions.

It is the customer’s responsibility to note any discrepancies on the acknowledgement and to notify WCI immediately. The printed acknowledgement constitutes the final agreement between the customer and WCI, thus superseding all previous communications regarding the order.

Changes or Cancellations

Any changes to or cancellation of an order must be submitted to WCI in writing. Acknowledged orders for special, non-standard, and custom products cannot be cancelled. Approved change request orders may be subject to a revised production schedule and additional material and labor charges. Approved cancellation requests will be subject to restocking, material, and labor charges.

Orders

All orders must include WCI product model number, final material, and finish specifications for order entry. Send your orders directly to:

Postal Service or Courier Service:

WCI	
Attn: Order Entry	
750 Battery St, Ste 100	
San Francisco, CA 94111	
Fax:	415-552-5368
Email:	order@westcoastindustries.com

Duplicate orders that are received by mail (after being faxed or emailed) and not marked “confirmation” are the responsibility of the customer.

Designs and Specifications

All designs and specifications are subject to change without prior notice. Any item or material may be discontinued without prior notice. All weights and dimensions are approximate.

GENERAL INFORMATION — *Warranties*

Tables

All tables manufactured by WCI are warranted to the original purchaser covering normal usage for a period of twelve years from the date of the original invoice. WCI will replace or repair (at our discretion) without cost to our customers any item found to be defective as a result of defective materials or workmanship. We will not, however, repair any item which has been abused or subjected to any use other than that which was originally intended for our product. Any repairs by the customer must receive specific written authorization from WCI before being executed on location to receive proper reimbursement for associated costs. In no event shall liability under this warranty exceed the original purchase price.

Electrical items not manufactured by WCI are covered for a period of one year.

Wood furniture is made of natural variable raw material. Differences in grain characteristics and color among wood species are naturally occurring variations and are not within the control of WCI nor considered defects included in this warranty.

Plastic laminates, Corian®, 3form® Chroma®, acrylic, and quartz are not warranted by WCI, but are warranted by the respective manufacturers under their specific warranty only.

Seating

WCI seating frames are warranted to be free of defects in materials and workmanship covering normal usage to the original purchaser for a period of seven years from the date of the original invoice. WCI will replace or repair (at our discretion), without cost to our customers, any item found to be defective as a result of defective material or workmanship. This warranty does not apply to damage resulting from accident, misuse, abuse, alteration or negligence. Any repairs by the customer must receive specific written authorization from WCI before being executed on location to receive proper reimbursement for associated costs. WCI will not be liable for any additional charges sustained by the customer because of improper installation by others, usage or after market additions.

Plastic laminates and upholstery are not warranted by WCI, but are covered by laminate and textile manufacturers under their specific warranty only. Wood furniture is made of natural variable raw material. Differences in grain characteristics and color among wood species are naturally occurring variations and are neither within the control of WCI, nor considered defects included in this warranty.

WCI seating is not intended for outdoor usage. Outdoor usage of seating voids warranty.

COM textiles and COL leathers are not warranted.

Outdoor

All outdoor products manufactured by WCI are warranted to the original purchaser covering normal usage for a period of one year from the date of the original invoice. WCI will replace or repair (at our discretion) without cost to our customers any item found to be defective as a result of defective material or workmanship. We will not, however, repair any item which has been abused or subjected to any use other than that which was originally intended for our product. Any repairs by the customer must receive specific written authorization from WCI before being executed on location to receive proper reimbursement for associated costs. In no event shall liability under this warranty exceed the original purchase price.

GENERAL INFORMATION — *Guaranteed Freight Program*

Zone 1: Add 5%

Arizona, Arkansas, California, Colorado, Idaho, Iowa, Kansas, Louisiana, Minnesota, Missouri, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, and Wyoming.

Zone 2: Add 10%

Alabama, Connecticut, Delaware, District of Columbia, Florida, Georgia, Illinois, Indiana, Kentucky, Maine, Maryland, Massachusetts, Michigan, Mississippi, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, Virginia, West Virginia, and Wisconsin.

Tables and Outdoor

Tables and outdoor orders will be shipped F.O.B. factory. To calculate your guaranteed freight cost, refer to the map and zone matrix above. Zone percentage is calculated based on the total NET value of the order, and freight cost is included on invoices. WCI reserves the absolute right to determine the method of shipping unless special delivery instructions have been previously approved. **Products shipped to Alaska, Hawaii, and Canada are F.O.B. factory, freight prepaid to port of embarkation, based on percentages as outlined above.** Customer is responsible for freight charges from port of embarkation to final destination.

Seating

WCI seating does not include freight. Seating is shipped F.O.B. factory, uncartoned for blanket wrap shipment. WCI will negotiate discounted freight rates on the customer’s behalf, and will include those rates on the invoice.

Freight Claims

WCI will file freight claims for WCI tables and outdoor products only. In the event of damage and/or shortages, immediately call WCI at **844-815-2217** to initiate a freight claim and replacement or repair. **Concealed damage must be reported in writing to the freight carrier and WCI within two business days.** Failure to make a claim against WCI within five days will constitute acceptance of merchandise and waiver of any defects, shortages, or errors found upon inspection. The customer must file all freight claims for seating.

Normal Delivery

Normal delivery is on a dock to dock basis. Special requests, such as inside delivery, “call before,” etc, should appear on the customer’s purchase order and are subject to additional charges. Every attempt will be made by WCI to accommodate customers’ requests. Delivery date is subject to strikes, accidents, availability of supplies, and any other causes beyond our control. WCI may stop and/or hold shipment if payment terms, account status, or credit are not satisfactory.

Will Call

Customers may choose to pick up orders at our factory. Customers will be notified when their order is ready for orders marked “will call.” Pick up must be made within five business days or order will incur storage charges. Customer pick up is available between 8 AM and 2 PM PST. Please call WCI customer service at 844-815-2217 to schedule a customer pick-up.

Storage

Commencing on the ship date, there is a five business day grace period for all table and outdoor orders, during which there will be no storage fees. Following the grace period, there is a minimum storage charge of \$350 per month. Orders over \$10,000 will incur an additional 1.5% fee per month based on NET value of the order. In addition, a Storage Fee Agreement must be signed by customer and returned to customer service. Customers that are CBD (cash before delivery) must pay for all storage fees before the order is shipped.

Wood Veneer and Solid Wood Table Tops

Wood must be treated as a breathing, living material. Like all organisms, it is subject to changes depending upon the environment in which it exists. The principal concern is the humidity in the surrounding atmosphere and its effect on the wood. Like many other materials, wood shrinks when it loses moisture and it swells when it absorbs it. WCI wood finishes should be wiped clean with a soft damp cloth moistened with water, and then dried with a soft cloth. Wood finishes should be protected from excessive heat. A heat pad, coaster or trivet should be used to protect the table top from pots, pans, hot serving dishes, drinks, plates, etc.

Note: Do not use commercial cleaners, abrasives, solvents, Windex, 409, Ajax, etc. on the table top as this will wear away the acrylic waterborne enamel.

3form® Chroma® Table Tops

Please see: www.3-form.com/downloads/3form_matspec_chroma_rev030.pdf

Acrylic Table Tops

Acrylic table tops consist of specially formulated acrylic, providing a tough nonporous surface material with superior stain and UV light resistance. Color and material is consistent throughout the top, providing a renewable surface. Most dirt and residue can be removed by washing with warm soapy water, followed by rinsing with clean water and wiping down with a dry towel to eliminate water spots. Disinfecting acrylic table tops can be accomplished using (1) part household bleach mixed with (1) part water. Wash and rinse thoroughly, and wipe dry. Minor scratches and burns on matte finish can be buffed out with a medium ScotchBrite pad, followed by wiping the area down with soapy water and towel dry. Minor scratches and burns on gloss finish can be buffed out with a white ScotchBrite pad, or wet sanded with 2000 grit sandpaper, followed by wiping area with soapy water and towel dry. Deep scratches and burns should be repaired by a professional fabricator. Acrylic table tops have excellent heat resistant qualities; however, it is important, as with all table top materials, to minimize direct exposure to heat. WCI recommends using hot pads or trivets when placing hot objects on any acrylic table top.

Caution: Nail polish, nail polish remover, and any acetone based liquid will permanently stain and/or damage the acrylic table top. Chemicals such as paint remover, metal cleaner, oven cleaner, abrasive cleaner, and acid drain cleaner will also damage acrylic table tops and should not be used.

Corian® Table Tops

Metal Tables Tops

All metal tables are suitable for indoor and outdoor applications. They have been pretreated and powder coat finished to resist the elements all year long without fading, rusting, or cracking.

For regular cleaning of the metal frames, use a solution of mild, non-abrasive soap and warm water. For more difficult stains, use a mild household cleaner. Avoid using abrasives and chemical cleaners. Always test a small area prior to cleaning. Do not pressure wash.

Table Bases

Powder Coat and Plated Bases

All powder coat and plated bases should be cleaned with a mild, non-abrasive cleaner and cloth. Users are urged to make periodic inspections to look for damage, loose screws and bolts, or other signs of structural fatigue incurred in daily handling, use, and abuse. Examination must include structural joints, corner blocks, welds, and any other stress points. Any product found to be damaged, defective or loose should be taken out of service immediately.

Seating

Metal

All metal chairs are suitable for indoor and outdoor applications. They have been pretreated and powder coat finished to resist the elements all year long without fading, rusting or cracking.

For regular cleaning of the metal frames, use a solution of mild, non-abrasive soap and warm water. For more difficult stains, use a mild household cleaner. Avoid using abrasives and chemical cleaners. Always test a small area prior to cleaning. Do not pressure wash.

Polypropylene

Injection molded polypropylene chairs are suitable for indoor and outdoor applications. UV inhibitors in the polypropylene protect against sun rays.

To maintain the finish of polypropylene chairs, clean regularly with warm sudsy water — never use abrasive cleaners or boiling water.

For regular cleaning of the chair’s metal frames, use a solution of mild, non-abrasive soap and warm water. For more difficult stains, use a mild household cleaner. Do not use abrasives and chemical cleaners. Always test a small area prior to cleaning. Do not pressure wash.

Synthetic Rattan

The Piazza chairs have woven synthetic rattan backs and seats. To maintain the rattan, clean regularly with warm sudsy water — never use abrasive cleaner or boiling water. Do not pressure-wash or use petroleum based solvents or cleaners as this will damage the synthetic rattan.

General Maintenance

Our customers are urged to make periodic inspections to look for damage, loose screws and bolts or other signs of structural fatigue incurred in daily use. Examination must include structural joints, corner blocks, welds and any other stress points. Any product found to be damaged, defective or loose should be taken out of service immediately.

PRODUCT SPECIFICATIONS — *Tops*

Laminate Top Construction

Standard 1.25" thick core material, consisting of a NAUF Particle Board (45.5 lb/ft3), MDF (46 lb/ft3), or 1" thick Birch Plywood (40 lb/ft3) core, surfaced with a laminate face. The core material is determined by the specified edge profile. A phenolic backer is used on the underside of the top. All complete tables (consisting of a top and base) have steel threaded inserts for metal-to-metal mounting of the top to the base, allowing ease of installation. Tops sold separately do not have steel threaded inserts. Table tops over 96" in length have steel support to prevent bowing. All top dimensions are nominal and may vary up to 0.75", depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions should be specified in writing.

Wood Veneer Top Construction

Standard 1.25" thick core material, consisting of a NAUF Particle Board (45.5 lb/ft3), MDF (46 lb/ft3), or 1" thick Birch Plywood (40 lb/ft3) core, surfaced with a book matched veneer face. A phenolic backer is used on the underside of the top. All complete tables (consisting of a top and base) have steel threaded inserts for metal-to-metal mounting of the top to the base, allowing ease of installation. Tops sold separately do not have steel threaded inserts. Table tops over 96" in length have steel support to prevent bowing. All top dimensions are nominal and may vary up to 0.75", depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions should be specified in writing.

Butcherblock Top

Butcher Block Tops have an eased edge with 1-5/16" (1.3125") to 1-11/16" (1.6875") wide finger jointed strips, and are 10" to 24" long. Tops are 1.375" thick and 1.875" thick on 60" and 72" tops. Tops are constructed from solid maple and have 0.75" tolerance.

Wood Surface Finish

All wood products are finished in acrylic waterborne enamel providing a 10-20% sheen finish using a multi-step process of hand sanding, staining, and sealing that provides superior water and alcohol resistance. Custom sheens are available upon request; please contact WCI Customer Service for a quote.

Solid Surface

3form® Chroma® Surfaces

Standard 1" ($\pm 10\%$) thick with 0.75" moisture resistant marine grade plywood sub-top for indoor and outdoor use. 3form® Chroma® (74.3 lb/ft3) is produced from optical grade engineered resin with high UV resistance consisting of 30% recycled, 12% pre-consumer, and 18% post-consumer content, and is certified according to the GREENGAURD® Indoor Air Quality Certification Program for Low Emitting Products. The surface of Chroma® features renewable matte texture that can be easily refinished throughout its lifetime. All top dimensions are nominal and may vary up to 0.75" depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions should be specified in writing.

Acrylic Surfaces

Standard 1.25" thick surface, 3" radius corners, with moisture resistant marine grade plywood sub-top. Specially formulated acrylic provides a tough, nonporous surface material with superior stain and UV resistance. Color and material is consistent throughout the top, providing a renewable surface. Acrylic surfaces are not predrilled to accept table bases. All top dimensions are nominal and may vary up to 0.75" depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions must be specified in writing.

PRODUCT SPECIFICATIONS — *Tops*

Corian® Surfaces

Standard 1"x1" thick built-up edge on 0.5" thick Corian® (106.1 lb/ft3) with a steel sub-frame. Fabricated out of a 0.75" X 1.5" steel tube finished with standard matte black powder coat. Corian® is a solid surface material from DuPont composed of 33% of Poly Methyl Methacrylate and 67% of Natural Minerals like Alumina Trihydrate. Corian®, along with its adhesives and sealants, are certified by GREENGUARD®, providing a complete surfacing system with low amounts of VOC (volatile organic compounds). All complete tables (tables consisting of a top and base) will have steel threaded inserts for metal-to-metal mounting of the top to the base, allowing ease of installation. Steel sub-frames are designed to fit only WCI's standard bases, and, consequently, all top only requests must be processed as a custom product. All top dimensions are nominal and may vary up to 0.75" depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions must be specified in writing.

Quartz Surfaces

Standard 0.75" thick material construction with 0.75" marine grade plywood sub-top for indoor use only. Quartz is comprised of a blend of 93% quartz and 7% polyester that is processed into slabs using a vibro-compression vacuum process. If your project entails more material than a manufactured slab, one or more seams will be required. The product is certified according to the GREENGUARD® Indoor Air Quality Certification Program for Low Emitting Products. As a non-porous material, it will not harbor bacteria and is stain resistant. It is very dense, making it impact and scratch resistant. The sub-top is painted to match the quartz top and is sized such that it is inset by 3" from the edge of the top. All top dimensions are nominal and may vary up to 0.75" depending on edge treatment. If a critical size is required (+/- 0.125"), dimensions should be specified in writing.

Ultrafoam Surfaces

Standard 1" thick balanced construction consisting of NAUF - Particle Board (45.5 lb/ft3) core surfaced with a permanently bonded fire-retardant, expanded polyvinyl chloride pad. Ultrafoam tops are available with white PVC or raw edges, and are recommended for use with tablecloth only. Ultrafoam tops create a slightly cushioned surface that is impervious to grease, foods, acids, and alcohol. Ultrafoam tops absorb sound and eliminate the need for silencer cloth, double linen or other padding. All complete tables (tables consisting of a top and base) have steel threaded inserts for metal-to-metal mounting of the top to the base, allowing ease of installation. Tops sold separately do not have steel threaded inserts. Table tops over 96" in length have steel support to prevent bowing. All top dimensions are nominal and may vary up to 0.75" depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions should be specified in writing.

Vinyl T-Mold Edges

Vinyl edges provide an impact-resistant edge. All vinyl T-molding corners have a 2" radius.

PVC Edges

PVC edges provide an impact-resistant edge. PVC corners are 90° square, rounded corners are a 3" radius minimum.

Wood Edges

Wood edges are offered in solid maple, rift cut oak, cherry, and walnut. Other wood species are available upon request; please contact WCI Customer Service for a quote.

Overall Table Heights

Overall table heights vary according to top specification. WCI standard base height is 28". Add top thickness to determine overall table height. For alternate height (AH) tables, the height specification refers to the overall height of the table when ordering a complete table, or the overall height of the base when ordering base only.

PRODUCT SPECIFICATIONS — Edge Profiles

SELF EDGE

LLSE	Self Laminate Edge  1.25" thick edge Edge is banded with matching standard grade top plastic laminate Square and rectangle tops standard with square corners Available on 1.25" thick top Available in 19 standard laminates

PRODUCT SPECIFICATIONS — Solid Surface Reference Guide

3form® Chroma®
3form® Chroma® is a solid surface material produced from optical grade engineered resin providing luminous color for horizontal table top applications. Ideal for high-end detail with a minimalist design aesthetic.

WCI 3form® Standard Colors	WCI Code
White Out	FWH
Pewter	FPW
Sable	FSB
Camel	FCA
Marmalade	FMA
Atlantic	FAC
Aloe	FAE
Moss	FMS
Sassy	FSY
Eggplant	FEG

3form® Chroma® tops are sold separately. Custom size and shape tops and additional colors are available and require special pricing from WCI's Customer Service Department. A minimum of five 3form® Chroma® tops is required, per color, for non-standard 3form® Chroma® top orders. Please contact WCI Customer Service at 844-815-2217 for all special 3form® Chroma® requests. To order samples or to see an expanded offering, please visit 3form's website: www.3-form.com/order/

Corian®
Corian® is a solid surface material created by DuPont, composed of acrylic polymer and alumina trihydrate. Corian® is available in a vast range of trendsetting patterns and tones.

WCI Corian® Standard Colors	WCI Code
Designer White	CDW
Silver Gray	CSG
Rain Cloud	CRC
Flint	CFT
Deep Night Sky	CNS
Glacier White	CGW
Linen	CLN
Deep Mink	CDM
Deep Sable	CDS

Corian® tops are not sold separately as a standard product. All top-only requests must be processed as a custom product. Steel sub-frames are designed to fit only WCI's standard bases. A minimum of five Corian® tops, per color, is required for non-standard Corian® top orders. To see an expanded offering, please visit Corian's website: www.dupont.com

PRODUCT SPECIFICATIONS — Quartz Reference Guide

Caesarstone® Quartz and Okite® Quartz

Engineered stone tops offer one of the most durable stone composite surfaces. They are one of the toughest yet most beautiful of all minerals and have the look and feel of stone offering a more non-porous, scratch-resistant, stain-resistant and heat-resistant properties.

Q1

WCI Ceasarstone® Standard Colors	Manufacturer Code	WCI Code
Ocean Foam	6141	QQF
Pebble	4030	QPB
Concrete	2003	QCO
Raven	4120	QRV

Q2

WCI Okite® Standard Colors	Manufacturer Code	WCI Code
Bianco Assoluto	1665	QBA
Bianco Carrara	1896	QBC
Nero Reale	1804	QNR

Quartz tops are not sold separately as a standard product. The material is only available for the following tables:

- Basic Round
- Blok
- Disc
- Flat Round
- Kone
- Platform
- Platform Double
- Regency
- Tulip
- Vista

Our standard quartz top offering features Okite® and Caesarstone® and is composed of up to 93% natural quartz and polymer resin. A minimum of five quartz tops, per color, is required for non-standard quartz top orders.

To see an expanded offering, please visit the manufacturers’ websites.

PRODUCT SPECIFICATIONS — Wood Grain and Patterns

WCI wood veneer is bookmatched as standard.
For custom veneer patterns contact customer service at 844-815-2217 for quotation.

WCI Standard

Bookmatched

Custom Patterns

Reverse diamond

Box diamond

Sunburst

Long grain is standard on all WCI tables.
Single piece tables are available in lengths longer than 10’ and are subject to material length availability.
Note: Material length restrictions may require WCI to manufacture the tables in two or more sections.

Long grain is standard on all WCI oval table tops

Long grain is standard on all WCI racetrack tables.

Long grain is standard on all WCI rectangle tables.

Finger jointed strips are standard on all WCI butcher block table requests.

PRODUCT SPECIFICATIONS — *Grommet Locations*

Specify the desired grommet location using the chart below.
For custom locations please submit a sketch for location feasibility and verification.

Grommet Locations For Radius Tops.

Grommet Locations For Square Corner Tops.

*For custom grommet locations, please submit a drawing with dimensions for placement.

PRODUCT SPECIFICATIONS — *ADA Tables*

Wheelchair Access

To comply with ADA regulations for wheelchair access to tables WCI recommends a minimum clearance of 27" from the floor to the bottom of the table; a minimum 30" barrier free width and a minimum barrier free depth of 19".
In addition there must be a minimum of 30" unobstructed space from the table edge. Overall table height cannot exceed 34".

For more information on ADA requirements, the following websites may be useful:
National Network of ADA Centers: www.adata.org
U.S. Justice Department - ADA Home Page: www.ada.gov
ABA and ABA Guidelines Home Page: www.access-board.gov

Minimum Clearance Recommendations

WCI ADA Table Recommendations
42" x 42" Post leg square table (**PO4242SQ**)
23" x 39" Bistro ADA rectangle table (**BI2339REOD**)
30" x 48" T- base rectangle table (**DUT3048RE**, **ALT3048RE**, **MAT3048RE**, **PRT3048RE**, **SLT3048RE**, **SVT3048RE**, **TUT3048RE**)

ADA Logo
The ADA logo is standard on the Bistro Outdoor rectangle table. The blue ADA symbol is 1.75" high x 5" wide and is inset from the front table edge on the right-hand side (from seated position).

Drawing is not to scale.

OPTIONS PRICING

Base Options		
AH	Alternate Height Base	\$69
	WCI table bases are available in a custom height within the range of 16" – 41" (per column). Alternate height Florentine bases are \$174.	
GSL	Super Level Glides	\$36
	Overall height of .75" is recommended for use on uneven or hard surface floors. Eliminates table wobble by automatically self-leveling. Adjusts up to .25" of wobble. Super level glides will not affect the overall height of the table. Super Level Glides are not available on Blok, Disc, Kone or Platform series. Sold in set of 5 (per base).	
GPUPC & GPUPL	Puck Style Glides	PC \$84 PL \$84
	Puck Style Glides are included on the Presidio base and can be specified on the Dunhill or Plus base. The Puck Style Glide is .375" thick with a 2.5" diameter and can be powder coated (GPUPC) or polished/satin chrome (GPUPL) (per each).	
FFG	Floor Fastener	\$36
	Cast iron, mounted inside post leg column with set screw; fastener to attach leg to floor is not included. Available for 2.5" and 3" diameter Post Leg columns only (per leg).	
TWC2	Casters 2" Twin Wheel	\$59
	Twin Wheel Casters are 2" diameter black nylon with a black nylon hood and locking tab. Casters will not affect the overall height of the table. Casters are available on Dunhill, Mark IV, Plus, Post Leg, Slimline and Tuscan series. Sold in set of 4.	
MWC3	Casters 3" Twin Wheel	\$175
	Mag Wheel Casters are 3" diameter, single wheel, black polyurethane, with a spoked cast iron core, black chrome plated fork finish and a top locking tab. Casters will not affect the overall height of the table. Casters are available on Vista tables series only. Not Available on Vista with Quartz tops. Sold in set of 4.	
TMX/TMT	Tilt-top with Standard Cable Release	X-base \$284 T-base \$439
	For use on table bases with up to a 2.5" column diameter. The cable release mechanism activates both mechanisms on a table with two single column T-bases. It is not available on TT bases or Post Leg.	
FM	Folding Mechanism	T-base \$284
	Folding table mechanism must be activated individually. The folding mechanism is available on Dunhill, Mark IV, Plus, Slimline and Tuscan T-bases only. It is not available on TT bases or Post Leg. For use on tables bases with up to a 2.5" column diameter.	

Top Options		
CS & CSH	Custom Size/Shape	
	WCI can manufacture many different size and shape tops; please call customer service 844-815-2217 for more information	
CET	Custom Edge Thickness	
	WCI can manufacture specific customer edge thickness; please call customer service 844-815-2217 for more information	
CRC	Custom Radius Corner	
	WCI can manufacture specific custom radius corners; please call customer service 844-815-2217 for more information	
CRL3	3" Radius Corner	\$36
	3" Radius corners are available on laminate tops with a self-edge, also available on Ultrafoam and Corian® tops. (per corner)	
CRW3	3" Wood Radius Corner	\$86
	3" Radius corners are available on laminate tops with wood edges. Not available in LWFL, WWFL, LWPI, WWPI (per corner)	
UMB	2" Umbrella Hole	\$260
	Available on Outdoor Basic Round, Bistro, Flat Round, Disc, Park and Platform tables only (per table).	

Edge Options

175E	1.75" Thick Edge	15%
	The 1.75" thick edge is built-up on a 1.25" thick top. Available on a self edge laminate, square wood edge, flat wood edge , or a bullnose wood edge profile (per table).	

OPTIONS PRICING

Grommets		
GMBM, GMSC & GMPC	2" Round Metal Grommet	\$145
	Matte black (GMBM), Satin chrome (GMSC) Polished chrome (GMPC)	
GPMBM	2" Round Plastic Grommet	\$46
	Matte black (GPMBM)	
Modesty Panel		
MODLFX & MODVFX	Fixed Modesty Panel	LFX \$260 VFX \$405
	.75" thick x 9" high. Specify to match the width of the table. Laminate fixed modesty panel (MODLFX) has a black flat T-mold edge with 1" radius corners. Veneer fixed modesty panel (MODVFX) has a matching .125" thick flat wood edge with square corners.	
MODLFL & MODVFL	Folding Modesty Panel	LFL \$347 VFL \$491
	.75" thick x 9" high. Specify to match the width of the table. Laminate folding modesty panel (MODLFL) has a black flat T-mold edge with 1" radius corners. Veneer folding modesty panel (MODVFL) has a matching .125" thick flat wood edge with square corners. The folding bracket is 10 gauge steel with a matte black finish.	

Ganging Clips

GC	Ganging Clips	\$155
	Connects two table tops for use as one large table. Friction and bolt release allows for quick separation. Set includes two clips and two brackets. One set is recommended per table side.	

Wire Management

WMJ	Black Plastic J-Trough 48" long	\$122
	Under table mounted J-trough provides concealed cable management. Matte black plastic, attachment hardware not included.	
WML	Legway Wire Manager 26"	\$59
	Vertical trough provides concealed cable management. Matte black plastic, attachment adhesive included.
